

# Subject Specific Networks

We are pleased announce the dates and venues for the first meetings of Sheffield Subject Specific Networks for 2016/7.

The meetings will be held every second half-term over the year and the majority of the autumn term meetings are in the week beginning 14<sup>th</sup> November 2016.

Please pass this to the relevant subject specialists or subject leaders in your school. All of the meetings are free to schools and registration will take place at the meetings (e.g. places do not have to be booked).

These networks are funded by Learn Sheffield but are a collaboration between all of Sheffield's Teaching Schools, Sheffield Hallam University and a range of other partners from across the city. They have been co-ordinated by Gaynor Jones from the Sheffield Teaching School Alliance at Silverdale School.

We look forward to welcoming you at the first meetings and urge you to contact the network leader to register your interest and suggest relevant topics.

If you have any questions about the networks please contact the network leader of the specific subject.

Further meetings will be held in the weeks commencing 6<sup>th</sup> March 2017 and 26<sup>th</sup> June 2017.

Subject & Phase	Network Leader	Contact	Meeting W/C 14.11.16	Venue
