School Improvement Action Plan

Strategy	Notes	by July 2017	by December 2017
School Improvement Strategy 2016-2018	Learn Sheffield is commissioned by Sheffield City Council to deliver the statutory duties relating to school improvement. The new approach to school improvement, which is described in the School Improvement Strategy, was developed by working with the primary, secondary and special school sectors throughout the 2015/16 school year. Learn Sheffield published this school-led approach to school improvement in September 2016 and it has been in use from the beginning of the 2016/17 school year.	<ul style="list-style-type: none"> • Sector partnership action plans to be monitored by the Primary Improvement Board and the Secondary and Special partnerships. • Sector reviews of the strategy to take place, based on the first categorisation cycle, to inform modifications to the approach. 	<ul style="list-style-type: none"> • School Improvement Strategy 2016-2018 version two (including any modification to the categorisation process or national policy) to be published (July/September). • Sheffield School Performance Evaluation Report published (October). • 2017/18 Categorisation cycle to be completed (September/October).
2016-2017 Achievement Strategy	The Achievement Strategy has been developed to provide a range of school improvement activity which is designed to impact specifically on pupil and school outcomes. The content has been developed with support from sector partnerships and several programmes are led by Learn Sheffield Associates from within the Sheffield schools professional community.	<ul style="list-style-type: none"> • Primary moderation programme completed (school/locality/city moderation with specific focus on FS2/Y2/Y6). • Pupil Premium Project launched – secondary conference and follow up school recruitment to the programme. • Learners without Labels project planning and recruitment. 	<ul style="list-style-type: none"> • Pupil Premium Project under way in the secondary sector and recruitment extended to the primary sector. • 2016-2017 Achievement Strategy programme evaluation (July & October – two stages). • 2017-2018 Achievement Strategy published (October).

<p style="text-align: center;">Theme</p> <h2 style="text-align: center;">Readiness</h2> <p style="text-align: center;">Vision</p> <p style="text-align: center;">Children and young people ready for learning, relationships, the next stage in education, the workplace and adult life in a cohesive community.</p>	What do we want to achieve?	How will we know if we have been successful?
	Sheffield children and young people have the resilience and support to flourish in the modern world.	<ul style="list-style-type: none"> Mental health data (including Healthy Minds Survey) show strong relative performance and impact of early intervention. Clear pathway information about universal, targeted and specialist support impacts positively on outcomes.
	Sheffield to have the fittest children in Britain.	<ul style="list-style-type: none"> Sheffield has active schools and active pupils. Sheffield health data show strong relative outcomes.
	Children's attendance and punctuality are maximised.	<ul style="list-style-type: none"> Absence, persistent absence and punctuality data demonstrate strong relative performance - including vulnerable pupils and schools in challenging circumstances.
	Children develop good executive function skills and self-regulation to be ready for school and learning.	<ul style="list-style-type: none"> Audit and analysis show that children in early years consistently experience high quality interactions and enriched learning environments. Early Years outcomes show strong relative achievement and readiness for Sheffield children.
	Children and young people are supported through the transitions in their education and into adult life.	<ul style="list-style-type: none"> A city wide strategic approach to transitions enables children and young people to make successful transitions – shown by pupil/parent/school opinion and in-year progress data.
	Young people have relevant information and equality of opportunity to meet their own high expectations and aspirations.	<ul style="list-style-type: none"> All young people receive independent and impartial guidance, within a relevant careers framework. Structured experiences of workplaces and further and higher education impact on outcomes.
	Every Sheffield young person to make a positive contribution to their community.	<ul style="list-style-type: none"> Every Sheffield child to access age appropriate citizenship programmes throughout their education.
