Let's Talk About Sex

At Theatre Delicatessen this March

In 2017, despite living in a society that uses sex at every opportunity to sell and seduce, and where porn is the norm, at a personal level we still find it incredibly difficult, scary, and embarrassing to honestly articulate ourselves on this messy topic. **Let's Talk About Sex Festival** gets honest right from the start. Whether you're 12 or 120, Theatre Delicatessen invites you to come and join the conversation and the fun, in a safe and caring environment.

From musicals to film screenings, from discussions to cabaret we've got an incredibly exciting line up that explores and celebrates sexuality, gender and identity in all its dark and deep glory and we want you to get involved!

WHO'S PERFORMING AT THE FESTIVAL?

We've thrilled to be partnering with Shefest to stage a brand new version of the ground-breaking **Vagina Monologues**, starring a diverse range of local voices. Keisha Thompson's **I Wish I Had a Moustache** is a coming of age story that explores beauty, gender anxieties and the taboo of body hair and our resident artists Joe Bunce and Will Taylor are staging **Alphabet**, an entrancing exploration of the simultaneous effects of the Hollywood hero and online porn on the identity of young male sexuality.

IS IT SUITABLE?

There's something for everyone at the Festival and we've given age guidance for most of the events. Give us a call if you're unsure but here are our recommendations:

12+ Colla Voce Theatre present **Miscast**. Over the course of the evening they perform songs that have been 'miscast' to question assumptions of gender roles within musical theatre.

14+ **Buzz, The Musical**, winner of the 2016 Stella Wilkie Award and the 2016 Eddies Award, Buzz is a hilarious musical journey through the history of the vibrator. Contains some strong language, partial nudity, and scenes of a sexual nature.

16+ **Before (The Line is Lost)**, a one woman show about co-splay and growing up on the internet and

Spaces are limited on our straight-talking **workshops** on sex and relationships lead by Caz Perry from **The Chat**. 15+. We have three to choose from on Saturday 25th March. Book fast! and Madeline Shann is leading a **workshop** on Monday 13th March called **Sex in Real Life**, which reimagines sex ed for the 21st century with explosive physicality and anarchic comedy. 13+.

Young Carers Governor Training: Best practice for identifying and supporting pupils with caring responsibilities

Primary Special Secondary

Wednesday 22nd March 2017, 5:30-7:00pm, Learn Sheffield

1 in every 12 young people are taking on mid- to high-level care for a family member (BBC 2010). This means there are over **7,000** school age young carers in Sheffield. Many young carers go unidentified, however, and experience significant educational, physical, social and emotional impacts as a direct result of their caring role. Early identification of young carers is vital to help minimise these impacts.

This engaging, interactive workshop will help Governors understand the issues that affect young carers and how schools can improve their outcomes by:

Gaining an understanding of the reasons why children and young people are caring , the types of care they provide, the indicators of being a young carer, and the impacts this can have on them

Finding out about recent changes in legislation and local policy affecting young carers

Getting information on best practice and free resources for identifying and supporting young carers in your school

Young Carers Strategic Board – Schools Representative Opportunity

We are looking for a representative from Sheffield schools to sit on the city's multi-agency strategic Young Carers Education, Attainment and Employment operational subgroup.

The group reports to the Carers and Young Carers Strategic Board and works to put the city's Adult, Parent and Young Carers Strategy 2016-2020 in action.

The group meets twice per year (during school holidays to enable young carers to participate) and currently has representation from FE, HE and voluntary sector education and support agencies.

This is a great opportunity to have an active role in improving the lives of young carers in the city.

If you might be interested but would like to find out more, please contact:

All schools are asked to pledge support by completing the following Google document. The information you provide will be handled sensitively by the group and will help to inform plans to develop citywide CPD. By completing this document your school is signing up to the citywide pledge and in recognition your school will receive a pledge poster to display in your school.

ESCAL Sheffield – Reciprocal Reading EEF Trial for Primary Schools 2017/18

ESCAL has been approached by FFT Literacy to share the Reciprocal Reading Trial opportunity with Sheffield schools.

Please find information below about the Literacy Trial in Reciprocal Reading which the EEF is funding for academic year 2017-18. This trial will include a total of 100 schools.

If you would like to discuss this further, please feel free contact the ESCAL team for more information on 0114 2053093 or email ESCAL@sheffield.gov.uk. All information for schools is below with further information available online at <https://educationendowmentfoundation.org.uk/our-work/projects/reciprocal-reading/>.

To summarise the Reciprocal Reading trial (2017-18):

All interested schools must be prepared to be randomised to deliver the programme or to act as a control and continue with business as usual for one year, after which they too can deliver the programme.

Eligible schools randomised to deliver the programme must be able to do so with year 4 (whole class), 5 and 6 (targeted) pupils. Intervention schools will pay £500 to receive the intervention (All training and school support) and receive £200 worth of books (this is a fraction of the cost of the programme and takes into account the fact that we are testing the impact of the programme). Year 4, 5, and 6 pupils will complete tests (GL New Group Reading Test).

Control schools will receive £1000 in recognition of completing the GL Assessment New Group Reading Test with their pupils in Y4, 5 and 6 and any other assessments required by the evaluators, and agrees **not** to engage in the programme until the end of the trial.

To be eligible schools must **not** have engaged in Reciprocal Reading training from FFT Literacy in the past. Schools who take part in this study should not be in the middle of another EEF literacy trial with KS2 pupils. Other than that, everyone interested is welcome to register, particularly if their FSM level is above average.

To obtain an Expression of Interest form please contact Maria Cockerill at maria.cockerill@qub.ac.uk
