The Sheffield Adventure Film Festival is a well-established date on The Outdoor City's calendar. It takes place in March each year and attracts a large audience. But we want to expand both geographically, and also demographically. The festival draws a loyal crowd of parents with their primary school aged children, but we struggle to persuade teenagers to come along, so we have set up a publically funded scheme to pay for us to tour a selection of films from the festival to schools and other groups of teenage kids in the city and local area. There is no cost as it is funded by a generous group of Patrons who give a small monthly amount to support the project via a platform called Patreon (see <https://www.patreon.com/shaff>).

**School will need to provide:**

- A room with AV facilities and the ability to play a PowerPoint presentation with videos (which includes sound).
- Fill the room with as many secondary school pupils as possible!

**If you're interested in having us come and present then just get in touch:**

[Emma.banks@sheffield.gov.uk](mailto:Emma.banks@sheffield.gov.uk) contact us now to get booked in. We'd like to visit a school per month so get in touch quickly to avoid disappointment.

# SHEFFIELD/GREATER SHEFFIELD SCHOOLS BOULDERING COMPETITION 2020

This annual competition is the highlight climbing event for all Sheffield schools and last year we had 601 children competing in total. Our competition is unique because it is not all about winning, for many, it is about participation, fun and experiencing a new activity. Most teams are made up of pupils that have very little or no previous climbing experience.

With our competition growing in popularity each year and with the recent introduction of Greater Sheffield schools, we strongly recommend registering your school and booking a qualification slot as soon as possible to avoid disappointment.

## QUALIFICATION ROUND

The qualification round takes 2 hours and is run at The Climbing Works by our instructors. Explanation of the competition format and a climbing practice will take place as part of the qualification round.

The qualification round will consist of 8 specifically set boulder problems. Points will be scored on how many of the 8 climbs get topped in the least amount of attempts.

Qualification sessions can be booked either during or after school hours at a time and date to suit the school and must be completed before the 14th Feb 2020.

**You can book your qualification round now!**

## FINALS

**Greater Sheffield Schools** - The top 10 teams will be invited to compete in the Greater Sheffield Schools Bouldering Competition Finals which will take place on Thursday 19th March from 9.30am - 12.30pm. Schools will be informed by the 14th Feb if their team has made the finals.
