Learn Sheffield Opportunities

October 2019

The purpose of this bulletin is to share opportunities that school leaders may wish to take advantage of. It generally consists of free events, group discounts or local/national initiatives that are being offered to Sheffield. If you know of anything that you think should be included then let us know.

Whole School and Settings Approach to Food & Nutrition

It has two main aims:

- To give schools the tools they need to make long term changes to their food culture and their curriculum to support healthy behaviours.
- To give pupils and their families the confidence, skills and knowledge they need to cook, grow and enjoy good quality affordable food, as well as increasing understanding of food sources and sustainability.

With a particular focus on the 20% most deprived areas of Sheffield, the programme will contribute to:

- Reducing childhood obesity.
- Reducing child tooth decay.

What you will get:

- A vast array of Food for Life resources including evaluation tools, training, and awards.
- Data dashboard with national, city-wide, and local area public health data.
- Information, guidance and support from key partners.
- Curriculum and extra-curricular resources.
- Links to relevant national and local healthy eating campaigns.
- Ability to share best practice with other schools.

EAL in the Mainstream Classroom

Primary

Secondary

The programme is aimed at Teaching Staff in all subject areas across Key Stages 2, 3 and 4.

This course will enable school leaders to follow EEF advice to ensure that training related to literacy prioritises subject specificity over general approaches.

The programme is designed to:

- Build teacher confidence in how language works, so that they can enable pupils to convey understanding and evaluation in their subject with detail and clarity.
- Equip teachers with tried and tested classroom strategies that can be easily adapted for every day teaching and learning.
- Develop more fluent listening, speaking, reading and writing skills in advanced EAL pupils (codes C&D), with benefits to the whole class.

Problem Solving for Educational Organisations in a Tech-enabled World

The state of play...

New technologies are changing the ways in which we live...

How is this being mirrored in the way our Educational organisations solve problems?

When do educational organisations use new technologies to address other areas?

The ask of schools...

We are looking for two volunteer Schools and two volunteer Mutli-Academy Trusts to understand how we can use technology to ensure increased value for public money.

We will work with the schools for a period of 3-5 hours to understand and develop a programme of activity.

This project is currently free to schools however, we will be asking for advice and thoughts as input into the costing model going forward.

Follow the link for more information:

<http://www.learnsheffield.co.uk/Articles/Problem-Solving-for-Educational-Organisations-in-a-Tech-enabled-World>

Data Analysis Service

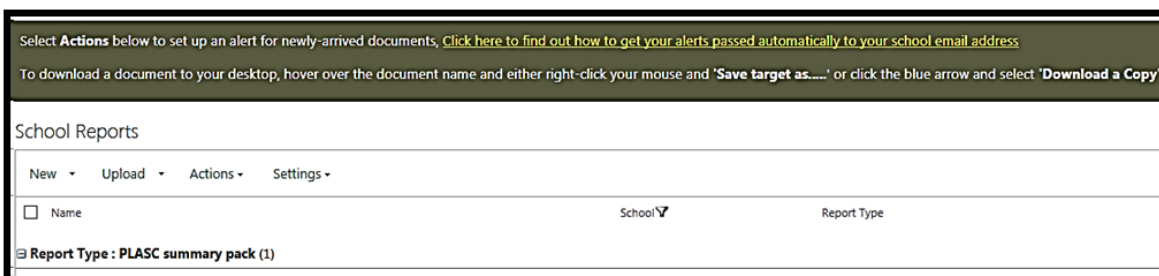

Creating Alerts on the Sheffield Schools' Data Hub

The **Data Analysis Service** provides end of key stage and contextual information in one place to help you identify priorities for your school quickly and easily. Reports are available on the [Sheffield Schools' Data Hub](#).

NEW Email Alerts are available on the Sheffield Schools' Data Hub.

Never miss any updates to the data packs held on Sheffield Schools' Data Hub. You can now set alerts by clicking on **Actions** and selecting **Alert Me**.

Results and Reporting on the Sheffield Schools' Data Hub

Look out for the updated summary report and revised attainment reports in your **School Area**. Updated attainment reports will be loaded into the **Locality Reports** area to reflect any data changes from schools.

When national data is released during September we will be producing national ranking reports, held in the **National Reports** area.

A final exclusions report for 2018/19 for each subscribing school will be put into your **School Area** once available.

Set up alerts to be notified of report updates. NB some reports are only available to subscribing schools.

Please call us if you need help accessing the Sheffield Schools' Data Hub or setting

Release date	Report title
Ongoing	School KS4 headlines summary
	Primary attainment report
September	KS2 national rankings
	KS1 and phonics
	Final pupil exclusions report 2018/19
October	EYFS national data
	Pupil exclusions report year to date
October / November	KS4/KS5 provisional national data
November	KS2 progress
	Half term 1 attendance packs
	Pupil exclusions report year to date
December	Primary Performance Tables
	Y11 Activity Survey report
	Pupil exclusions report year to date

Using Lesson Study

to develop Curriculum Coherence in Mathematics

Primary

Secondary

Collaborative
Lesson Research
Teachers as learners

9th & 10th December 2019

Led by Dr. Akihiko Takahashi

Dr. Akihiko Takahashi is one of the leading authorities of Japanese Lesson Study both within Japan and globally.

He has been active in introducing Lesson Study in America in the past 20 years, and has recently led a flagship project funded by the Gates Foundation to introduce Lesson Study for curricular reforms in the USA.

He returns to the UK to provide insight about how the Japanese Lesson Study can help develop teaching practice and curricular coherence. He has published over 45 journal articles and book chapters and given over 50 presentations and keynotes at conferences and workshops in Canada, Chile, Indonesia, Japan, Korea, Malawi, Malaysia, Mexico, Philippine, Qatar, Singapore, Thailand, Uganda, United Kingdom, and United States.

9 December 2019

Japanese Problem Solving and Lesson Study

This workshop is designed for schools, teachers and curriculum leaders who are new to Lesson Study. During the day participants will learn about the Japanese approach to teaching mathematics through problem solving.

Book on: <https://www.eventbrite.co.uk/>

10 December 2019

An introduction to 'Kyouzai Kenkyuu' the key component of lesson planning in Japan

This workshop is designed for schools, teachers and curriculum leaders with experience of Lesson Study cycles and who now want to use Lesson Study to develop curriculum coherence within their mathematics curriculum.

Book on: <https://www.eventbrite.co.uk/>

The cost of one workshop is **£100 + vat per person.**

If you book both workshops (9th and 10th December) the cost for **both workshops is just £150 + vat.**

MA Digital Literacies, Culture and Education

1 Year, Full-time

The MA Digital Literacies, Culture and Education will develop expertise in children's contemporary digital cultures through engagement with an extensive international research programme. Understanding the relationship between children's cultural lives is crucial to the teaching of literacies in 21st century society. The course offers multiple opportunities to learn to facilitate the analysis and creation of digital texts, to engage with the work of digital industries and cultural organisations and to undertake action research. If you are an educator or practitioner with an interest in literacies, media or technologies then this course will ensure you can develop your practice and implement inspiring new work in your professional context.

Entry Requirements

A 2:1 honours degree, or equivalent, in a relevant discipline. Applicants with relevant work experience and good academic potential will also be encouraged to apply.

Find out more on their website:

<https://www.sheffield.ac.uk/education/mastersdegrees/courses/digitlit>

IGNITE

Secondary

SHEFFIELD
THEATRES

Here's an opportunity for students who study Performing Arts or English (GCSE level or above) at a school, college or university anywhere in South Yorkshire. They can get a free ticket, and a second at £5.00, for Sheffield Theatres productions in the Crucible Theatre.

To book their free IGNITE ticket they will need an IGNITE card. They can request one from the Box Office by bringing a letter from school, college or university on headed paper – the letter will need to state that you study one of the eligible courses above.

If you are teacher and would like your students to be part of IGNITE then you can request the cards on your students' behalf from our Box Office team, or by emailing customer.service@sheffieldtheatres.co.uk and we'll send you the cards in the post for you to distribute. Please note that the individual students are still required to book their ticket themselves.

Find out more at sheffieldtheatres.co.uk

LIVE FOR 5

At 5pm on the first Friday of every month, anyone aged 16-26 can get £5 tickets to see some seriously brilliant shows in the Crucible, Studio and Lyceum.

You'll need to create a Live for 5 account with us before you can book your £5 tickets. Sign up over the phone with our Box Office team, or register online and make sure to input your date of birth.

Find out more at www.sheffieldtheatres.co.uk

SHEFFIELD
THEATRES

Understanding Religious Lives Through Story: A CPD Event for School teachers

Secondary

New Resources for teaching Christianity and Hinduism

Join us at this free event if you are looking for teaching resources that offer sensitive and nuanced perspectives on how individuals have responded to these World Religions. We will introduce newly studied and translated narratives of religious lives, including conversion and autobiographical narratives that tell remarkable stories of faith experiences in colonial-era India. The sessions will explore how religious experiences are often shaped by social and cultural pressures of gender, social status and family, but also impact wider society in important ways.

We will invite discussion about further ways to integrate these stories from the two traditions with key GCSE and Alevel topics such as mission and evangelism, free will and moral responsibility, religious experience and places of worship, placing these in the context of issues such as caste and social tensions developing around conversion and freedom of expression.

After lunch, we will invite you to participate in a drama workshop to explore creative ways of using these materials in the classroom to explore faith, relationship and conflict.

Tuesday 5th November

9.00-4.30pm

Venue:

The University of Manchester,
University Place,
176 Oxford Rd,
Manchester,
M13 9PL

The event is **free**, but please **register for the event** at the following link: <http://man.ac.uk/>
Enquiries: Contact **Sonja Bernhard** sonja.bernhard@manchester.ac.uk OR 0161 275 342

REGENERATION BRAINERY

REGENERATION BRAINERY IS AN INNOVATIVE AND INSPIRING PROGRAMME AIMED AT GETTING MORE YOUNG PEOPLE INTO CAREERS IN PROPERTY AND REGENERATION.

WE ARE LOOKING FOR CONNECTIONS TO A DIVERSE RANGE OF BRAINEES (STUDENTS) IN YEARS 10 & 11 OR UNDERGRADUATES. IS SOMETHING YOU WANT TO BE A PART OF AND YOU COULD CIRCULATE THE OPPORTUNITY TO THE YOUNG PEOPLE THAT YOU WORK WITH?

We are launching our very first Sheffield programme this Autumn. 21st – 25th October 2019

- Over five days, 20-25 young people will gain a unique insight into the wide range of careers in the built environment, from developer to architect, planner to interior designers
- The Brainery is a completely FREE programme for young people currently completing their year 10, up to 21 year olds
- We have previously delivered the Brainery in Manchester, Birmingham, Bristol and London.
- Check out our London Brainery on YouTube: www.youtube.com/watch?v=

WHAT WILL IT INVOLVE?

- Meeting industry professionals: Participants will hear from our Mentors - leaders in the industry about their work and career journey
- Project visits: They will get to see first-hand what they do by visiting their offices and projects
- Practical: The group will undertake a practical project supported by architects, interior designers and landscape architects, putting their new knowledge into practice
- Work experience: The Brainees will be invited to join our Graduate Club which will place them on a work experience placement following completion of the Brainery.

REQUIRES NO TEACHER OR OTHER REPRESENTATIVES. WE SIMPLY WANT YOU TO SIGNPOST THE OPPORTUNITY AND MAKE SURE STUDENTS HEAR ABOUT IT AND ARE ENCOURAGED TO APPLY.

APPLICATIONS WILL BE ACCEPTED FROM ALL GEOGRAPHICAL AREAS AND FOR ALL ABILITIES.

BENEFITS TO YOUNG PEOPLE:

- Multiple workplace visits and different working environments from a range of corporate settings to a live construction site and co working spaces
- Multiple high-quality employer encounters with high profile mentors
- Live and tangible projects
- Mixing with other peers
- Introductions and meetings with young professionals and those newly qualified
- Guaranteed work experience placements
- Routes to careers from industry peers
- Apprenticeship and education progression
- Endorsed by senior level industry professionals
- Genuine careers opportunities

Find out more at: www.regenerationbrainery.co.uk

Future First Primary: A 2-year project

Future First are delighted to offer up to 20 primary schools the opportunity to participate in a heavily subsidised two-year project to build and engage their community of former pupils. This community of alumni can open up new worlds of possibility for current pupils, giving them access to relatable role models.

Relatable role models broaden pupils' horizons, raise their aspirations and help them to fulfil their potential. Using former pupils as role models is a simple yet effective idea that really works. They bring many benefits as: support in the curriculum, encounters with the world of work, mentors, volunteers, governors, fundraisers and more.

Taking place from September 2019, schools will be provided Future First's 'Embed' membership in year 1 and 'Develop' membership in year 2 for a single contribution of £900 plus vat. The details of these memberships are listed below.

As a further part of the project, all schools will take part in a research study exploring the impact of relatable role models in primary schools. Nominated school staff will also be invited to regional knowledge sharing events and training to become expert practitioners in alumni and relatable role model engagement

Year 1: Embed Membership

- Access to our secure online Portal to manage your alumni data and communicate with your community.
- Your own programme officer who will support you to build and engage your community of former pupils. They will offer advice and practical help to embed your alumni community into school life.
- Access to our digital toolkit with step-by-step guidance, templates and resources for ensuring your community of alumni is a success.
- Two Future First-led events for 30 key stage 2 pupils supported by volunteers from your community of alumni.
- Support from our press officer to help you spread the word about your community and its successes.
- Two inspirational alumni posters to showcase the future pathways of your former pupils and inspire current pupils as they walk through the corridors.

Year 2: Develop Membership

Everything included in the above 'Embed' membership without the Future First-led workshops for 30 Key stage 2 pupils.

Who's eligible to apply?

To apply, schools must meet the following criteria:

- Can provide a named school contact, available to attend a set up meeting, regional knowledge sharing events and training, and respond to ongoing communications about the project.
- Can provide an SLT champion to have strategic oversight of the project.
- Can identify a group of up to 30 key stage 2 pupils who would benefit most from meeting relatable role models during two 2-hour workshops.
- Consent to provide anonymised pupil data for the purpose of better understanding the impact of relatable role models.
- Consent to provide data in the form of written questionnaires from staff.
- Consent to the school's name appearing in both promotional press about the project and any resulting research reports.

Please note that Future First will be looking to book a meeting with interested schools by Monday 14th October at the latest. Therefore, please register interest as soon as possible if you would like to take part.

Apply online at: <https://docs.google.com/>

If you have any questions please contact Alexandra Kiami on alexandra.kiami@futurefirst.org.uk.

Building a creative nation

Create Sheffield, in association with IVE

COULD YOUR SCHOOL BE ONE OF OUR CHAMPION SCHOOLS?

We are developing a new network of Champion Schools in Sheffield that have creativity and the arts at their core. We know there are many of you in Sheffield, and that you are doing amazing things with your pupils. We want to support you, work with you and shout about what you do! We'd like every school in the city to have the chance to develop the creativity of their pupils and staff. With your help, as a Cultural Education Champion in your Locality, we can make that happen across the city.

We are genuinely interested in shaping our plans based on what we hear from you - please come and join us for a consultation evening in the Adelphi Room (Crucible Theatre), on Wednesday 16th October 2019 from 6pm to 8.30pm (dinner provided):

- LET US ROAD TEST OUR PLANS WITH YOU
- TELL US HOW WE CAN HELP YOU & YOUR SCHOOL
- TELL US WHAT YOU THINK SHEFFIELD NEEDS

Get in touch to sign up for the event, or contact our Programme Manager, Sophie Hunter, to hear more:

sophie@createsheffield.co.uk

with Aldi and Team GB

Aldi's Kit for Schools

Posters arrived in schools 2-3 September 2019.

Taking part

Collect, explore and win with Aldi's Kit for Schools!

- 1. Collect.** All eligible schools have been sent a sticker poster, addressed to the head, or the teacher who pre-ordered your pack. Check your school reception to find the poster and ask your school community to pick up their Team GB sticker whenever they spend £30 in any Aldi store.
- 2. Explore.** Use the campaign to boost healthy habits at school and at home. Try out each poster's challenges and explore our **Get Stuck In resources**.
- 3. Win.** Complete the poster with 300 Team GB stickers to receive an exclusive school sports kit and the chance to win one of 20 prizes of £20,000 to build a health legacy at your school.

Who can enter?

The promotion is open 6 September 2019 to 3 November 2019 to primary schools in England, Scotland and Wales. Send your completed poster by 18 November 2019 to enter.

Find out more and explore at <https://getseteatfresh.co.uk/>

together women

Northern VIBE

Conference

2019

Monday 28th October 2019 10-3pm

Hallam Hubs 6 Paternoster Row, Sheffield S1 2QQ

EMPOWERING WOMEN TO PROMOTE REAL CHANGE

VIBE is a voice and influence project working with 12-19 year old girls across the North of England building resilience, self-esteem and the confidence to take on the world through social action and change.

We are almost at the end of the 3rd year of a 5 year project and would love the opportunity to share our findings, successes and challenges.

So we're having a conference!!

This will be an amazing day full of findings and fun. There will be some incredible speeches from amazing key note speakers and workshops throughout the day. Come and see what VIBE is all about and let us show you how gender specific youth services work!

Please email sambramhall@togetherwomen.org for more information and to book on.

Places are limited and this will fill up quickly!

Sheffield Grammar School Exhibition Foundation

Secondary

The Sheffield Grammar School Exhibition Foundation is a charity which has offered funding to secondary schools in Sheffield for many years the administration for applications has now passed to Learn Sheffield.

The charity funds disadvantaged Sheffield language learners helping some of the neediest and deserving pupils in our schools to meet the costs of language trips abroad. Without this support, many disadvantaged learners would not be able to participate in these educational visits. The condition of funding is that the visit must be for the purpose of language education.

If you feel you have pupils who would benefit from accessing this fund and would like to know more, please do not hesitate to contact Evelyn at evelyn.priestley@learnsheffield.co.uk or by telephone on 0114 250 7417.

Young Epilepsy free Guide for Schools

Primary

Secondary

Special

Young Epilepsy has just launched a free online guide for schools on supporting young people with epilepsy: www.youngepilepsy.org.uk/guideforschools

The guide includes information on [seizure first aid](#), epilepsy's [impact on learning and behaviour](#) and the [key elements of support](#) that should be in place at school, and template documents, including a policy on supporting pupils with medical conditions, an Individual Healthcare Plan (IHP) and a seizure record form.

The guide also features Young Epilepsy's ABLE tool (Assessment of Behaviour and Learning in Epilepsy). This is a [simple questionnaire](#) for staff and parents to use to identify potential areas of concern.

Supported by an educational grant from 

Free Prevent Training for Sheffield School Leaders

(Suitable for Headteachers, Safeguarding Leads and Governors)

The DfE published 'The Prevent Duty: Departmental advice for schools and childcare providers' in 2015. It is essential that schools in all phases are aware of and understand their responsibilities under the statutory Prevent duty. This session will cover national and local Prevent perspectives, Safeguarding processes, resources available to schools, advice from Ofsted and will include 'Workshop to Raise Awareness of Prevent' training. This training replicates earlier sessions and is for NEW leaders only.

The next planned training session is
scheduled for:

Wednesday 6th November 2019

9.15-11.45am

at Learn Sheffield, Lees Hall Road,
Sheffield, S8 9JP

To book your place, email:

Discover! Creative Careers week Monday 18th – Friday 22nd November 2019

Discover! Creative Careers is a week-long event launching this year which will see hundreds of employers from across the creative industries opening their doors to students aged 11 and over.

Throughout the week, participating schools will have the opportunity to engage with at least one Discover! day in a local workplace, where they will take part in interactive experiences across various departments, giving students meaningful encounters with both employers and employees and providing information and insight into some of the lesser-known jobs that exist across the creative industries. Schools will also be provided with a Discover! Creative Careers pack which will contain information and resources to support their Discover! experience.

Discover! Creative Careers responds to evidence cited in the Government's Careers Strategy which revealed that a young person who has four or more encounters with an employer is 86% less likely to be unemployed or not in education or training and can earn up to 18% more during their career. It immediately addresses school career programme objectives around the Gatsby Benchmarks as outlined in the 2017 DfE's Careers Strategy, with a particular focus on 5 and 6:

5. Encounters with employers and employees. Every student should have multiple opportunities to learn from employers about work, employment and the skills that are valued in the workplace. This can be through a range of enrichment activities including visiting speakers, mentoring and enterprise schemes.
6. Experiences of workplaces. Every student should have first-hand experiences of the workplace through work visits, work shadowing and/or work experience to help their exploration of career opportunities, and expand their networks

The creative industries cover a wide and extremely varied number of jobs and sectors, including:

- Advertising & marketing • Architecture • Crafts • Design: Product, Graphic and Fashion Design • Film, TV, video, radio & photography • Games and Visual Effects • Publishing • Museums, Galleries & Libraries • Music, performing and visual arts

[TO SIGN UP, PLEASE COMPLETE THIS SHORT ONLINE REGISTRATION FORM ASAP](#)
